**This entertaining
family game has
multiple winners!**

Here is how the game works:

Purchase your tickets at \$10/each. If your ticket number is called, you come up to the stage and get to pick a case! You're then shown a deal (item from the banker) or a no deal (the case you chose.) Choose between the Bankers deal and or a case. The rejected offers will then be auctioned off to the audience for additional chances to win! All proceeds from this event go to the Gilbert Brown Foundation.

Prizes range from \$5 to \$2,500 in value and the Banker is known to spice up the deals! Here are a few examples of prizes.....
